«verse to remember»

"We know that our body—the tent we live in here on earth—will be destroyed. But when that happens, God will have a house for us. It will not be a house made by human hands; instead, it will be a home in heaven that will last forever."

sympathy.

Our prayers go out to Camille Johnson on the death of her brother, Michael Bourdeaux; to former member, Melinda Choate, on the death of her father, Charles Salmon; and to Karen Walker and family on the death of her aunt, Rema Ratcliff. Funerals were all this past week. Continue to keep these families in your prayers, send cards, and remember them in their time of grief.

free benefit dinner.

The first area-wide [free] dinner to benefit the children of Christian Home & Bible School in Mt. Dora will be held at Timberlane on Saturday, January 16 at 6:00 p.m. We hope everyone will come and share in this special time together. Please sign up in the foyer, placing your card in the box provided so we'll know how many to prepare for.

coat drive a success.

Coats, jackets, blankets, homemade soup, cornbread and desserts were just part of what was shared with a room full of the city's less fortunate citizens on New Year's day. A special thanks to all who participated in one way or another to help those souls in need. More will be shared soon regarding this ministry.

cd's available.

CD copies of the current morning's lesson are made available each week following Bible Classes. These can be found on the chest in the foyer [under the mirror], or if you would like copies of any other lesson, please fill out a blue slip also located on the chest and leave in the container provided.

thank you.

A special thanks to Annie Jones for creating our new bulletin format. The new design will help keep our information more concise, as well as cut paper costs with the smaller size. We hope you will like the new look and be watching for pictures to rotate periodically. [there are still a few bugs to work out on my end, so please bear with me – mbv]
